I am seeking a challenging, professional position. I am a self-starter and responsible team member looking for an opportunity with a successful company.

EXPERIENCE

Parts Team Leader, Bozard Ford Lincoln, April 2024 to Present

- Responsible for the operation and integrity of shop counter sales.
- Creating and receiving orders from Ford while ensuring proper condition and accuracy.
- Utilizing system tools and specialized programs to fulfill necessary tasks for a timely repair.
- Managing a team of employees by servant leadership and projecting integrity, respect and determination.

Assistant Parts Manager, Coggin Ford - April 2022 to April 2024

- Responsible for the oversight of parts department employees and business interests.
- Ordering stock, performing cycle counts, shipping and receiving, and inventory variance on a regular basis.
- Running reports and completing processes necessary to the success and accuracy of the department and dealer.

Parts Advisor, Nissan of Orange Park- October 2019 to April 2022

- Responsible for ordering, receiving, and distributing parts.
- Proficiency in Reynolds & Reynolds software for customer billing and shipment receipt and also Microsoft Office suite.
- Utilizing parts catalog and other sources to accurately order and supply parts to the customer.
- Providing exceptional customer service and tending to customer needs, both wholesale and retail.
- Ability to work together as a team and independently to solve customer concerns and exceed expectations.
- Receiving parts from stock orders and special order entries.
- Processing warranty claims, parts returns, and core credit claims from Nissan and other vendors.

Correctional Officer, State of Florida - January 2016 to October 2019

- Responsible for the care, custody, and control of all inmates in assigned housing unit.
- Keeping clear and accurate logs of all inmate movement and daily activities.
- Restraining and moving inmates as needed to and from designated areas of facility.
- Keeping accurate counts of inmates assigned on wing.

Warehouse Associate, Baker Distributing Co. - April 2013 to January 2016

- Responsible for processing orders for customers, either through line of credit or credit card and cash sales.
- Ordering parts through vendors and internal store transfers to fulfill customer requests.
- Restocking product as needed.
- Pulling orders in warehouse via hand tools or power equipment.
- Conducting counts and ensuring accuracy when pulling orders and receiving freight.

EDUCATION

Nissan Virtual Academy- 2019 to 2022

Basic Recruit Training, State of Florida Dept. of Corrections- June 2016
